

The BRIT SEED School  
Presents

Growing a Garden  
of Reading Ideas  
for Science

Readers by Nature

**Date:** February 21, 2012

**Time:** 5:00 p.m. - 7:00 p.m.

**Cost:** Free (CPE credits are available for \$5 each-  
one credit per hour)

Join us in making literary connections between  
the classroom and the outdoors.

Please come to **learn** and **share** how to combine  
**literature** and **science** to engage all students!  
**Barbara Tennison**, a BRIT Docent and retired  
Fort Worth ISD teacher will lead the discussion group.  
A **book list** with a variety of **activities** will be provided  
with time for additional ideas to be shared.

Wine and appetizers will be served.
