The following is provided as a correction to Hansen (2017).

On page 110, the lectotype designation for *Quercus xbernardensis* was incorrectly transcribed from the type sheet shown in Fig. 6 on page 112. The corrected location and date for the lectotype should read:

Quercus xbernardensis W. Wolf [*Q. prinus* × *Q. stellata*], *Torreya* 18:161. 1918. [as *bernardiensis*]. TYPE: UNITED STATES. ALABAMA. Cullman Co.: along the Little River, W. Wolf 1580a and b (LECTOTYPE: designated here: UNITED STATES. ALABAMA. Cullman Co.: St. Bernard, Ala. – along Little River, 14 May [prob. 1918], W. Wolf 1580, AUA-74601!).
